PRINT OF CHAMBERS' EDENBURGH JOURNAL.

To be published at the "Alboin" Office, No. 3, Barciay street, New York.

T has long been a matter of surprise that amidst the almost countless number of reprints of Brittish works daily issuing from the American Press, the above has not formed a part of them .-Since the discontinuance of Mr. Jackson's reprint -- a suspension which arose, we believe, more from that gentleman's liberality in his business actions than three dollar magazine, from any lack of demand for the publication—we have depended upon the Edinburgh copy.

As we have received a great many solicitations to republish Chambers' Journal, and as it is a work of such excellence, Novels, and possesses such a superiority over the light publications of the day, we the above named works, have resolved to put it to press forthwith, and issue it at a very moderate ed, post paid. Address cost.

"Chambers' Edenburgh Journal" is so well known that no particular eulogy is required for it at our hands. It is sufficient to say, that in all its parts information is blended with amusement, and that a high moral tonesteadily prevails in its different and varied subjects. No better publication can be put into the hands of young persons, for it is impossible to persue its columns without adding to our stock of general knowledge. without feeling our minds expanded, and our sentiments purified. Such a work we can have no hesitation in recommending to the public at large.

Chambers' Journal is conducted by William and Robert Chambers. it is extensively circulated throughout the British Isles, and commands commendation and respect wherever it is known.

In order to put this work within the reach of all classes of the public, we have determined to issue it at the reduced price of one dollar and a half per annum; -and also to hirnish it to agents at a discount from this price, of thirty-three extensively, we have determined to give | cents each or \$9 per anum. individuals or companies of individuals mand FIVE ANNUAL COPIES.

Our edition will be an exact transcript merit and uncommon interest. of the Edinburgh copy.
